## XERACALM ECZEMA

### CALMING RELIEF BALM

Helps provide relief for common symptoms of eczema flare-ups such as very dry skin, itching, irritation and redness while maintaining healthy skin. Easy to apply, non-greasy, non-sticky texture.

#### KEY INGREDIENTS

#### COLLOIDAL OATMEAL (1%)

Provides moisturizing, soothing, calming and anti-itching benefits to the skin

#### CERAMIDES

Helps strengthen the skin barrier while replenishing the skin's essential lipids for instant & long-lasting hydration

#### AD-RESYL

(*Ophiopogon Japonicus* Root Extract)

Helps enhance skin hydration, while restoring balance in the skin microbiome

#### CLINICALLY PROVEN
